

CLOVER LEAF SOLUTIONS & HILL INTERNATIONAL PARTNERSHIP

Clover Leaf has been a trusted, local partner to Sandia's Facilities Department for over 16 years.

Hill is the 4th largest project and construction management firm in the U.S., as featured in Building Design + Construction magazine.

ANNOUNCEMENT

We are pleased to announce that Hill International, Inc. (Hill) has teamed up with Clover Leaf Solutions to support infrastructure services across the DOE complex. Hill International is a DOE and DOE EM Supply Chain Management Center (SCMC) contract holder for Infrastructure Support Services (Agreement #WS190316). With the strategic partnership between Clover Leaf and Hill you get a trusted, local resource with deep knowledge of Sandia Facilities for over 16 years (Clover Leaf), backed by the power of a large international construction management firm (Hill). This dynamic team has the ability to supply some of the best project managers and construction managers in the world to support your projects. Both companies hold favorable FOCI with a Q clearance (Clover Leaf) or Top Secret clearance (Hill).
